APPLICATIONS FOR BANKING
AND FINTECH, BROUGHT TO
YOU BY SPRING LABS.

September 30, 2025

University of Utah
Salt Lake City

Hosted by Spring Labs in Partnership with Utah
Governor's Office of Economic Opportunity, Utah
Bankers Association, Stena Center for Financial
Technology and the American Fintech Council

What is AI-Native?

In 2024 the first AI-Native Banking and Fintech conference was held in Salt Lake City with 320 attendees.

The event is hosted by Spring Labs, whose leaders recognized the need for a new event dedicated to the AI innovations impacting banking and fintech today.

Just like last year, the event will provide a one-of-a-kind opportunity to dive into real-world generative AI use cases in financial services. Attendees will gain insight into how AI is already reshaping our industry with an emphasis on real-world use cases.

Who attends?

This is the best event of the year to connect with banks and fintechs on AI initiatives.

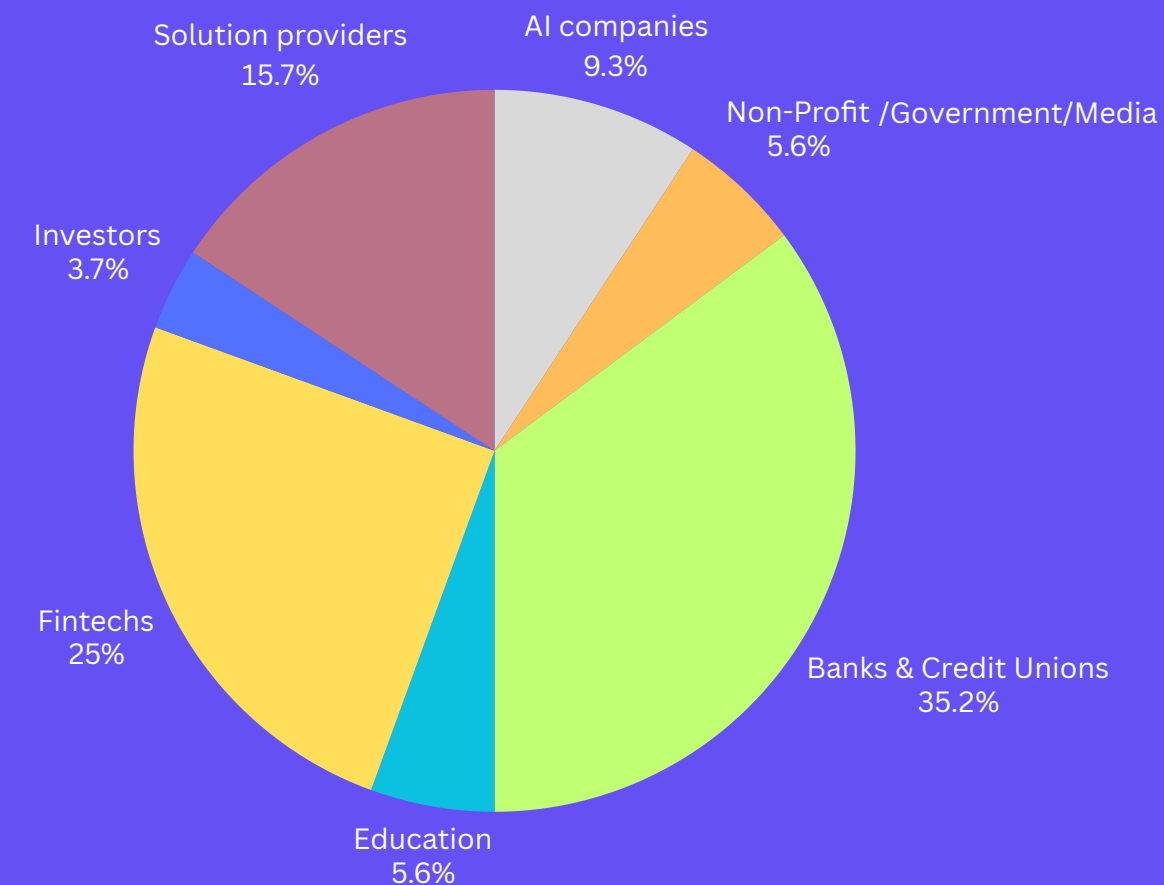

“Well attended, relevant topics, interesting speakers.” - Chief Compliance Officer, Deserve

“I think the mix of voices and perspectives was terrific.” - Chief Operating Officer, Community Capital

“The conference provided an ideal setting to have in-depth discussions, I gained valuable insights into the specific issues banks are facing today.” - CEO and Founder, Iskratek

Over 55% of attendees
were C-suite decision
makers

Sponsorship Opportunities

WiFi sponsor - Your brand name will be the password for the WiFi that will be printed on all materials throughout the venue.

Lanyards - Your logo on the lanyards for the badges that every attendee will be wearing. This is one of the highest visibility items at the conference.

Event app sponsor - Featured prominently on the app for the event that will have the agenda and all the networking features.

Charging station - place where conference attendees can go to charge their devices and will have your brand displayed prominently.

Lunch sponsor - Logo featured prominently on every table during the buffet lunch.

Private lunch - Host a small lunch with 12-15 guests with upgraded food. You will be able to handpick the attendees to invite to this lunch.

Coffee break sponsor - Logo featured prominently during coffee breaks with optional branded coffee cups and/or napkins.

Networking drinks sponsor - Have your brand displayed prominently at the networking reception held at the conclusion of the day.

Pre-conference cocktail party - The exclusive sponsor of the cocktail party the night before the event with the opportunity for an executive to welcome the attendees to SLC.

Sponsored dinners - Host a small, private dinner offsite at a local restaurant with a curated list of 12-15 guests.

Private meeting rooms - These are meeting rooms right off the main networking area on level two where lunch and all coffee breaks occur. Can have your logo on the doorway.

Host a roundtable - We host educational roundtables concurrently with the general session and you can be a host to direct conversation

Sponsored email - Sent to all registered attendees one week before the event with your marketing message. This will be an official email from the AI-Native event.
